

Stops in *the sewer*

The association has signed a Service Agreement with Cleanpipe Sverige AB

NOTE IMPORTANT: SAVE THIS INFORMATION

Caretaker Expedition

You can report errors at the caretaker's office, which you can find at Fastlagsgatan 49. It is on the north gable of Block IV (eastern low-rise), in the basement level. Register well in advance before there is a total stop. You can of course also contact the caretaker by phone or e-mail Phone: 031-460540
E-mail address: fastis@brfkronet.se

Expedition times:

Telephone hours weekdays between 09.30 - 10.00. Other times there are answering machines.

E-mail can of course be sent around the clock.

When you submit a fault report, you must provide clear information to facilitate the work of the caretaker:

Name. Apartment number. Description of errors.

Phone number where you can be reached during the daytime.

In case of urgent problems call CLEANPIPE Sverige AB

Emergency number 031-33 00 500
