

Tele 2

The association has signed an agreement with Tele2 (formerly Comhem) for the distribution of digital heritage.

The association's agreement includes a large number of digital channels to watch.

Anyone who wants to can order more digital TV channels, broadband, or telephony services can do so as an individual member. Contact Tele2 90 222.

If you have a problem with your TV picture, you should primarily contact Tele2 directly on phone at 90 222

Below you will see pictures of the sockets that are in your apartment. Some have been replaced with newer ones over the years.
